4 REASONS WHY GO FOR A MAGNUM

1. IT HAS A SUPERIOR TASTE

Champagne poured from a Magnum actually tastes better. While a magnum contains twice the volume of a standard bottle, it will always have the same neck size, meaning that each bottle's air content is the same. This means that the Champagne matures more slowly and for a longer period of time, resulting in "a more complex and harmonious taste".

2. IT'S MORE PRACTICAL

Offering 12 glasses per bottle, magnums are ideal for larger groups or dinner parties.

3. IT'S INCREDIBLY INSTAGRAMMABLE!

A Magnum is the ultimate showpiece for your evening; their very magnitude portrays a sense of occasion, celebration and generosity.

4. THEY MAKE GREAT KEEPSAKES

There are hundreds of ideas on Pinterest for what to do with empty magnums, from making them into lamps or candle holders.
